# ADVANCED FORMULA SELF DRYING CAR WASH

Advanced self drying formula allows you to wash your vehicle without any need to towel it dry

Sun Block 100™ protects your car's finish from damaging UV rays

Simoniz® Self Drying Car Wash is a revolutionary new formula that was developed by Simoniz research chemists for the professional car wash & detailing market. Unlike conventional car washes, you never need to dry your car again. Simply wash'n go! Your car will dry to a brilliant spot free shine. You'll love the way Simoniz® Self Drying Car Wash cleans! It's formulated to remove the toughest dirt, road grime, dried on bugs & tar. This break through formula is safe for all finishes, dries spot free and won't strip car wax.
